## **People Need the Lord**

Everyday they pass me by  
I can see it in their eyes  
Empty people filled with care  
Headed who knows where

On they go through private pain  
Living fear to fear  
Laughter hides their silent cries  
Only Jesus hears

People need the Lord, people need the Lord  
At the end of broken dreams, He's the open door  
People need the Lord, people need the Lord  
When will we realize people need the Lord?

We are called to take His light  
To a world where wrong seems right  
What could be too great a cost  
For sharing life with one who's lost?

Through His love our hearts can feel  
All the grief they bear  
They must hear the words of life  
Only we can share

People need the Lord, people need the Lord  
At the end of broken dreams, He's the open door  
People need the Lord, people need the Lord  
When will we realize that we must give our lives?  
For people need the Lord, people need the Lord
